

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION OF CERTIFIED ACTS OF TERRORISM INVOLVING NUCLEAR, BIOLOGICAL, CHEMICAL OR RADIOLOGICAL TERRORISM; CAP ON COVERED CERTIFIED ACTS LOSSES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

- A.** The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- B.** The following exclusion is added:

LIMITED EXCLUSION OF CERTIFIED ACTS OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to such act:

1. The terrorism is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the terrorism was to release such material; or

3. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical material; or

4. Pathogenic or poisonous biological or chemical material is released, and it appears that one purpose of the terrorism was to release such material.

When this terrorism exclusion applies in accordance with the terms of Paragraph **B.1.** or **B.2.**, the terrorism exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Part or Policy.

C. Cap On Certified Terrorism Losses

The following limitation applies to coverage for any one or more "certified acts of terrorism" that are not excluded by the terms of the exclusion in Paragraph **B.**:

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the non-applicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the War And Military Action Exclusion.
